Programme Design and Logistics

World Cities is a project of the Directorate General for Regional and Urban Policy (DG REGIO) of the European Commission in the framework of the European Parliament's preparatory action to promote the exchange of experience and best practice between the European Union and third countries on the theme of territorial development with particular reference to urban development, urban-rural partnership and urban cross-border cooperation.

The programme is designed for twenty European representatives of local and regional authorities that may be accompanied by representatives of business sectors for the areas related to regional and urban innovation. The event will consist of one conference, field visits and business meetings in Mumbai and – correspondingly – Navi-Mumbai, Chandigarh, and Surat.

European regional policy experts from public institutions will deliver lectures based on their practical experiences on sustainable urban and regional development. The event shall strengthen linkages between European and Indian regions and cities.

Cities and Regions involved

The programme will start with a one-day conference in **Mumbai** for all European delegates from the 3 twinning cities or city regions (Stuttgart, Copenhagen and Lazio). Mumbai is the capital city of the Indian state of Maharashtra. It is the most populous city in India and the eighth most populous city in the world, with an estimated city population of 18.4 million. The twinning city for Mumbai is **Stuttgart**, one of the key engines of European economic and green development. Representatives from Stuttgart will stay in the city for 5 working days.

After a third day of joint field visits in Mumbai, delegates from **Copenhagen and the CLEAN Cluster** will then travel to **Chandigarh**, a middle-size city in the northern part of India and capital of the states of Haryana and Punjab. As a union territory, the city is ruled directly by the Union Government of India and is not part of either state. The city of Chandigarh was the first planned city in India post-independence in 1947 and was known internationally for its architecture and urban design. Today, Chandigarh has a population approx. 960.787 inhabitants (Census 2011). This poses a huge challenge for the city, since it was planned for a population of 500.000 inhabitants. The twinning city of Chandigarh is Copenhagen and the CLEAN cluster.

Delegates from **Lazio** will visit **Navi-Mumbai**, developed in 1972 as a new urban township of Mumbai. The population of Navi Mumbai has reached more than 1 million inhabitants. It is one of the world's largest planned new cities that was conceived as a satellite city to relief the strain on Mumbai. The City and Industrial Planning Corporation of Maharashtra (CIDCO) is responsible for both its planning and implementation. To minimise travel distances the city is developed on nodal patterns, similar to the suburbs of Mumbai.

World Cities Detailed Agenda in India

Friday 22 May 2015

22:40 EU Commission's Arrival in Mumbai (9W 227 - JET AIRWAYS)

23:00 – 00:00 Transfer to the Hotel (depending on traffic conditions)

Hotel Trident, Nariman Point, Mumbai - 400 021 India:

www.tridenthotels.com/hotels-in-mumbai-nariman-point

Day 1 – Saturday 23 May 2015

08:30 Meeting at the hotel lobby

09:00 – 13:00 Visit of Mumbai

Description: The tour covers the heritage precinct; we will show the area from where the city's growth began, cover the old business districts, the two south Mumbai reclamation office districts (Ballard Estate and Nariman Point), fishing village at Cuffe Parade, and some major monuments, see the Victoria Train Station morning commute, and dabbawalas at Churchgate. We can also drive through the “native bazaar” area, which may give a good idea of what the more traditional neighbourhoods of the city look like. Potentially can include the textile mill district which is going through so much redevelopment and change (conversion).

13:00 – 14:00 Lunch

14:00 – 15:00 Transfer to Navi Mumbai (depending on traffic conditions)

15:00 – 17:30 Visit of Navi Mumbai. (<http://www.navimumbai.com>). Highlights:

- Central Business District (CBD) Belapur:
<http://navimumbai.com/CBD-Belapur.aspx>
- *Knowledge Corridor*: Mumbai – Pune Express Highway (IT Cluster)
http://www.cidco.maharashtra.gov.in/Home_Marathi1.aspx

17:00 – 18:00 Transfer to the hotel

23:25 Arrival of Stuttgart delegates (LH764 from Munich)

Hotel Trident, Nariman Point, Mumbai - 400 021 India:

www.tridenthotels.com/hotels-in-mumbai-nariman-point

Day 2 – Sunday 24 May 2015

Cultural Programme (à volonté) - Visit to Elephanta Island (4 hours)

In the middle of Mumbai Harbour, 9km northeast of the Gateway of India, the rock-cut temples on Elephanta Island (Indian/foreigner Rs 10/250; caves 9am-5.30pm Tue-Sun) are a spectacle worth crossing the waters for. Home to a labyrinth of cave-temples carved into the basalt rock of the island, the artwork represents some of the most impressive temple carving in all India.
