#### **City of Melbourne**

Kate Vinot Director, City Strategy & Place City of Melbourne

#### Overview

- 1. Melbourne's challenges
- 2. What we have to offer
- 3. What we hope to gain

# #1 – Complex governance

 Urbanised area
 Metropolitan urban boundary 50km radius

#### Melbourne

- Nearly 10,000
  square kms and
  >50km radius
- 1 State government and multiple departments
- 31 local government areas in Melbourne
- Separate agencies for planning, water, transport etc

## #2 - Rapid population growth

- Currently 4.5 million people
- Projected growth to 7.9 million by 2051

#### Plan Melbourne 2017-2050

#### Growth in the City of Melbourne

## #3 – Expansion into delta areas

#### **City of Melbourne and Urban Renewal** (> 700 ha)

- Urban renewal • areas identified in our planning policy for majority of new growth
- From industrial • areas to mixed use neighbourhoods

Higher density

jobs; key workers

#### 2. What we have to offer

### What we have to offer YOU

You have said you want to share experiences in:

- Smart Cities, data, transportation
- Urban Economy: innovation, start-ups
- Climate Change: Low-Carbon, Green Energy, Resilience
- Urban Regeneration: cultural heritage, green spaces, affordable housing

#### 3. What we hope to gain

Great ideas that can help us stay as **liveable** as possible in the face of massive change

Initiatives that can help us become a more **sustainable** and **resilient** city Collaboration to grow our **prosperity** especially through the knowledge sector
